Sanitation and Health Certificate

On visiting Kanachur Public School, Derlakatte, Kotekar Village on 28/3/22 it is found that the school has airy rooms with cross ventilation, the school building is white washed, the surroundings are clean and the general sanitary conditions are good. There are enough lavatories and urinals, separately for boys and girls, which are well maintained. There is drinking water facility for the school children.

I declare all that is stated above is true and a certificate is issued for the same.
